NOTICE OF COMMUNITY REVIEW

PROJECT REVIEW MEETINGS

Notice is hereby given that Community Project Review Meetings will be held by the University of California, Riverside on the following project:

PROJECT:
Multidisciplinary Research Building 1 (MRB1)

ARCHITECT:
To be determined

CONTACT:
Jacqueline Norman, Senior Project Manager
UCR Architects & Engineers
(951) 827-6316

LOCATION:
The site is located adjacent to Aberdeen Drive, south of Linden Street and north of Campus Drive, on the east area of campus.

DESCRIPTION:
The proposed Multidisciplinary Research Building 1 will be approximately 140,000 GSF in a new, 5-story building.

OBJECTIVES:
The project will provide wet and dry research laboratories, core laboratory support facilities, a vivarium, and space for faculty and academic support. The project is envisioned to host multiple scientific disciplines engaged in collaborative research. Expanding research laboratory space will reduce existing campus space deficits and is integral to the campus’s strategy for strengthening both research and teaching capabilities.

ENVIRONMENTAL DETERMINATION:
This project will be subject to an Initial Study under the California Environmental Quality Act (CEQA) to determine if the project may have a significant effect on the environment that has not been substantially and adequately analyzed in a certified program EIR.
