A. PROJECT BACKGROUND

Batchelor Hall was completed in 1965 and was designed to provide maximum usability and flexibility per design standards current at that time. The four-story building frames the northeast corner of a quadrangle formed at the intersection of Eucalyptus and Science walks. Batchelor Hall currently houses the Institute of Integrative Genomic Biology, Department of Botany and Plant Sciences, Life Sciences Graduate Student Advising Office and Student Academic Affairs under the College of Natural and Agricultural Sciences (CNAS).

The building has remained substantially unchanged and currently houses an equipment core which is inefficient and lacks the recourse necessary for modern research. The building's utility infrastructure systems have reached the end of their service lives and in many cases the systems have become obsolete and exist in poor condition. The Batchelor Hall Renewal project will replace and upgrade the building Mechanical, Plumbing, Electrical, Conveyance, and Fire Protection systems, and convert several wet laboratories and support services to provide instructional laboratories and support services.

B. PROJECT DESCRIPTION

The Batchelor Hall Renewal project is comprised of two separate projects, the Batchelor Hall Renewal and the Batchelor Hall Interiors project. The Batchelor Hall Renewal focuses on replacement of the core building systems and the Batchelor Hall Interiors focuses on the interior improvement aspects of the building.

The project scope breakdown is as follows:

- Batchelor Hall Renewal
 - Heating and cooling systems
 - Ventilation systems

- Energy management systems
- Primary and emergency electrical systems
- Fire Alarm and Fire Protection systems
- De-ionized water and reverse osmosis systems
- Hazardous materials abatement
- Connect building to standby generator

Batchelor Hall Interiors

- Modernize existing elevator
- Install fire sprinkler system throughout building
- Place standby power panels on each floor

In order to allow occupancy and research in the building during construction, the project will be divided into approximately four phases as will be determined by the University in working in cooperation with PCL Construction Services, Inc. in a separate project planning and preparation phase.

The University has contracted with **HDR Architects** to develop the construction documents which will be utilized on the project.

The campus' proposed phased schedule anticipates that construction will commence in the first quarter of 2020, with anticipated construction completion in June 2022.

The total anticipated Project Construction Budget is \$14,067,474.

The Estimated Construction Cost for the Fire Protection (Sprinkler) System bid package is \$950,000.

C. SCOPE OF BID PACKAGE # 3: FIRE PROTECTION (SPRINKLER) SYSTEM, **C-16**

The scope of Bid Package # 03 is anticipated to include the following specification sections:

- Fire Protection Systems

D. PREVAILING WAGES

This project will be subject to prevailing wages predetermined by the Department of Industrial Relations (DIR).

E. SUBCONTRACTOR SELECTION PROCESS

This Prequalification phase will be followed by the bidding phase, wherein Pre-Qualified Subcontractors will be asked to submit lump-sum proposals based on 'For Construction' documents issued by the University's Architect. Proposals will be strictly 'Plans & Specs'; no qualifications will be allowed on Subcontractor proposals.

Each prospective bidder must answer all of the following questions and provide all requested information. Any prospective bidder failing to do so will be deemed not responsive and not prequalified with respect to this Prequalification at the University’s sole discretion. All bidders that submit a Prequalification Questionnaire will be notified in writing of whether or not they have successfully achieved Prequalification status.

Prospective bidders that correctly respond to all questions that require a specific “YES” or “NO” response to prequalify per the Prequalification Questionnaire Evaluation form, submit all required information and supporting data, obtain the total requisite number of points per response as required AND are determined to have accurately and truthfully responded to the questions will be prequalified. Only those bidders that have been determined to be prequalified will be eligible to submit a bid for the Project.

If a prospective bidder is determined by the University not to be prequalified, the prospective bidder may request a review by the University of California, Riverside. If any person or entity is not satisfied with the outcome of the prequalification, such person or entity may file an objection with the University of California, Riverside. Any such a request or objection must be submitted in writing and received by the University of California, Riverside, at the address for receipt of Prequalification Questionnaires listed on the Advertisement for Subcontractor Prequalification **no later than 3 calendar days** after the date of the University's written notice regarding prequalification determination. The decision resulting from such review is final and is not appealable within the University of California. Any assertion that the outcome of the prequalification process was improper will not be grounds for a bid protest.

All information submitted for prequalification evaluation in response to Sections 3 and 16 and marked as “Confidential” will be considered official information acquired in confidence, and the University of California will maintain its confidentiality unless (1) the University determines that it is required to release the information to a third party pursuant to the requirements of the California Public Records Act or (2) the University is required by court order to release the information to a third party pursuant to the requirements of the California Public Records Act. In the event that the University receives a request pursuant to the California Public Records Act and the University determines that it is required to disclose information marked “confidential” by the provisions of the California Public Records Act, the University will notify the prospective bidder of the pending disclosure at least 72 hours prior to such disclosure so that the prospective bidder may seek a restraining order in advance of such disclosure. The University shall err on the side of transparency and will generally treat information provided by the prospective bidder that is not marked “confidential” as subject to disclosure pursuant to the California Public Records Act. Likewise, any decision by the University that any document is subject to disclosure pursuant to the California Public Records Act shall not prevent the University from making a subsequent determination that any document is not subject to disclosure pursuant to the California Public Records Act.

All other information submitted for prequalification evaluation will be considered official information acquired in confidence, and the University will maintain its confidentiality to the extent permitted by law.

As used herein, the terms “prospective bidder” or “bidder” or “contractor” or “entity” mean the same. The terms “prospective bidder” or “bidder” or “contractor” or “entity” mean all entities and individuals who are intended to work as a part of, for, or under the prospective bidder for the Project that is the subject of this prequalification process and includes, without limitation, such entities or individuals who are prime contractors, and if a joint venture, all members of the joint venture. Whenever an individual or entity is referred to, the reference includes the individual or entity and all partners, affiliates, subsidiaries, heirs, executors, administrators, assigns, predecessors and successors in interest of or to the individual or entity. For instance, a reference to a bidder includes the prospective bidder and all partners, affiliates, subsidiaries, heirs, executors, administrators, assigns, insurers, predecessor businesses and successor businesses of the bidder.

6. CONSTRUCTION EXPERIENCE (Pass/Fail Section)

A. Does the prospective bidder have the construction experience required below?

YES NO

1. Has completed, on or after July 31, 2019, at least **three (3) projects (private or public)** in the United States of America:
 - a. Acting as the **prime or subcontractor** during the construction phase on the project;
 - b. With an initial construction contract (prime or subcontract) award of \$700,000 or more;
 - c. Where the construction involved the following: Design-Build Fire Protection (Sprinkler) System, as required in the attached Project Data Sheets;
 - d. Where the construction work occurred in or adjacent to an occupied building;
 - e. That satisfies the Staff Rating requirements in the attached Project Data Sheets; and
 - f. That satisfies the Responsible Performance requirements in the attached Project Data Sheets.

Complete and submit the attached Project Data Sheets as evidence that your construction experience satisfies the above requirements. A PROJECT MAY BE USED TO SATISFY MORE THAN ONE REQUIREMENT.

The term “completed” as used above in this Section means that (1) all work has been completed per your contract and (2) the improvement/facility has been approved and/or accepted (i.e., passed final inspection) by the owner.

NOTE THAT PROJECT REFERENCES WILL BE CONTACTED FOR VERIFICATION OF THE INFORMATION REPORTED ON THE PROJECT DATA SHEETS. IN CASE OF CONFLICT BETWEEN THE INFORMATION REPORTED BY THE PROSPECTIVE BIDDER AND THE INFORMATION PROVIDED BY THE REFERENCE, THE INFORMATION PROVIDED BY REFERENCE SHALL TAKE PRECEDENCE AND AMBIGUITIES SHALL BE RESOLVED AGAINST THE PROSPECTIVE BIDDER.

- B. A bidder wishing to use a predecessor business to satisfy prequalification requirements must demonstrate with written information submitted with this Prequalification Questionnaire that it is substantially the same organization (in terms of who is managing the prospective bidder) as the predecessor business. A bidder may meet the requirement of the preceding sentence by demonstrating that the same person is the qualifying individual (under California Contractor’s License Law) for:
- (1) Contractor’s license of contractor which shall be the same type as the license required for the contract; and
 - (2) Contractor’s license of predecessor business which shall also be the same type as the license required for the contract.

YES NO

If "YES", provide the name(s) and title(s) of the person(s):

Name and Title: _____

If necessary, include additional information on a separate page and attach it to this Prequalification Questionnaire.

12. DISCIPLINARY MEASURES HISTORY (Pass/Fail Section)

Has bidder (or any member of the entity if a joint venture or partnership) been disqualified or otherwise barred from doing business with a public agency (e.g., federal, state, county, city, University of California System, California State University System, school district,) within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire?

YES NO

13. FALSE CLAIMS HISTORY (Pass/Fail Section)

Has bidder (or any member of the entity if a joint venture or partnership) been found in a final decision of a court to have submitted a false claim to a public agency (e.g., federal, state, county, city, University of California System, California State University System,) within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire?

YES NO

14. TERMINATION HISTORY (Pass/Fail Section)

Has bidder (or any member of the entity if a joint venture or partnership) been terminated for cause by an owner after construction commenced within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire?

YES NO

15. LIQUIDATED DAMAGES (Pass/Fail Section)

Has bidder (or any member of the entity if a joint venture or partnership) been assessed liquidated damages of more than \$50,000 on a construction contract with either a public or private owner within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire?

YES NO

16. CLAIMS HISTORY (Points Section)

Each prospective bidder will be evaluated to determine if the bidder and/or persons or entities associated with the bidder have a history of having unmeritorious claims asserted by or on their behalf in litigation or arbitration and/or of having had meritorious design or construction claims asserted against them in litigation or arbitration.

In order to be evaluated, each prospective bidder must complete the Claims History portion of this Prequalification Questionnaire. Based on the information provided, each prospective bidder will be assigned a Claims History score. **The maximum possible score is 15. Must score 10 or more points to pass this Section.**

Two (2) points will be deducted from the total available points for this Section for each qualifying lawsuit or arbitration, commenced within **five (5) calendar years** preceding the deadline for submission of the Prequalification Questionnaire, in which the prospective bidder and/or persons or entities associated with the bidder, had design or construction claims asserted by or on their behalf that were resolved by trial court judgment, arbitration award or settlement calling for receipt of less than 50% of the total amount of claims asserted in the lawsuit or arbitration. Additionally, **two (2) points** will be deducted from the total available points for this Section for each qualifying lawsuit or arbitration, commenced within **five (5) calendar years** preceding the deadline for submission of the Prequalification Questionnaire, in which the prospective bidder and/or persons or entities associated with the bidder, had design or construction claims asserted against them, that were resolved by trial court judgment, arbitration award or settlement calling for receipt of more than 50% of the total amount of claims asserted in the lawsuit or arbitration.

Any prospective bidder with a **score deduction of 6 or more points** will presumptively be considered not prequalified because the prospective bidder and/or persons or entities associated with the bidder have been a party to three (3) or more lawsuits or arbitrations in which they either asserted, or had asserted on their behalf, unmeritorious design or construction claims or they had meritorious design or construction claims asserted against them.

The presumption may be rebutted if the University determines, after investigating any explanation offered in providing the Claims History, that the prospective bidder and/or persons or entities associated with the bidder have not been a party to three (3) or more lawsuits or arbitrations in which they either asserted, or had asserted on their behalf, unmeritorious design or construction claims or they had meritorious design or construction claims asserted against them.

If the presumption is not rebutted, the prospective bidder will be deemed to have an unacceptable Claims History and will not be prequalified for the Project that is the subject of this prequalification process.

As used herein:

“Lawsuit” means any lawsuit commenced within five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire.

“Arbitration” means any binding arbitration commenced within five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire.

“Claim” means a claim (excluding claims solely for the enforcement of stop notices) arising from design and/or construction work and includes, without limitation, claims for extra compensation and damages (including delay, disruption and acceleration damages, but excluding claims for personal injury or death), and claims for defective design or construction work.

“Pass-Through Claim” has the meaning commonly ascribed to it in the construction industry and also includes (i) any claim that was or is asserted by the prospective bidder, in whole or in part, against an Owner on behalf of a different person or entity; and (ii) any claim that was or is asserted by an Owner against the prospective bidder, and that was subsequently reasserted, in whole or in part, against a different person or entity.

- A. Has bidder failed to be prequalified, in part or in whole, within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire, for failure to provide requested information regarding past litigation or arbitration history?

YES NO (5 Points)

- B. Has bidder been a party to any lawsuits or arbitrations, within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire, where the total amount of Claims (including Pass-Through Claims) asserted **by or on behalf of** the entity exceeded \$50,000?

YES NO (5 Points)

If "YES," then how many? _____

For each such claim, complete a Claim Data Sheet and attach it to this Prequalification Questionnaire. Make Copies of the Claim Data Sheet as needed.

- C. Has bidder been a party to any lawsuits or arbitrations, within the last five (5) calendar years preceding the deadline for submission of the Prequalification Questionnaire, where the total amount of Claims (including Pass-Through Claims, and claims for indemnity or contribution) **against** the entity exceeded \$50,000?

YES NO (5 Points)

If "YES," then how many? _____

For each such claim, complete a Claim Data Sheet and attach it to this Prequalification Questionnaire. Make Copies of the Claim Data Sheet as needed.

CLAIM DATA SHEET No. ___

(Copy this sheet as many times as needed.)

A separate Claim Data Sheet must be prepared for each Lawsuit or Arbitration as required above. If the claims were made against the entity and were resolved for more than 50% of the highest amount sought, state why the claims should not be considered meritorious design or construction claims asserted against the prospective bidder and/or persons or entities associated with the prospective bidder.
